Dear Parents and Carers

Statutory Assessments: Year 2

Assalamu Alakium, (May peace be upon you).

I am writing to advise you that, in accordance with the Government guidance, beginning next week we will be carrying out the statutory assessments of our Year 2 children. Please note that the children will have assessments each day next week and on the Monday and Tuesday of the following week. We have used our discretion to ensure that the assessments are spread out over the course of the week so that the children will not have lots of different tasks on each day. Although we are all keen for the children to perform well in the assessments, it is very important that they do not feel under pressure. For this reason, in school we are treating the next week very much like the normal half-termly assessment week that the children are used to completing.

Please do not feel that you have to do anything extra with your child, in terms of preparation. The teachers and children have been working hard all year to ensure that they are well prepared for these assessments. It would be very helpful however, if you could ensure that your child gets plenty of sleep over this coming weekend and that they are in school each day next week and that they arrive on time.

If you anticipate any issues with your child's attendance over the next two weeks, please contact Mrs Yusuf or me to discuss your concern.

Thank you for your on-going support.

Yours faithfully

Mrs S.D. Forshaw Bsc (Econ) NPQH
Executive Principal
