

Home Reader books

Children have started to take home reader books home. Can you please read with your child and comment in their reading records, books will not be changed unless it has been signed. Books will be changed twice a week, on a Monday and a Thursday. Children need to bring their books every day as they are listened to during the week by their teachers.
Homework will be sent home on Thursdays and collected on Mondays.

PE

IBN Zubayr - Tuesday AM
Bint Muhammad - Tuesday AM

Please label any PE kits with your child name.
Please ensure your child is not wearing any jewellery in school.

Wow moments and Tapestry.

Whenever you observe a 'wow moment' please complete one of the wow moment slips and return it to school. This moment can be anything that has amazed you about your child's learning in school or any special events that have taken place in your family life, such as birthdays, attending weddings, competitions children have taken part in etc. Please return the completed slips to school as and when these moments occur, so that we can put them in your child's learning journey.
You have been sent an email activation code for Tapestry. This will allow you in record any special milestone. You can download an app for your smartphone. If you any have any questions, please ask your child's teacher.

Olive School

Reception News Letter

Autumn 2018

Ourselves

This half term our topic is 'We are Special'

Each week the children will be learning about a different aspect of the topic 'Ourselves'

- All about me - In this week children will learn about who they are and what makes them special.
- My family- In this week children will learn about their families, how many family members they have and why are they special. Please provide pictures of your family to help with this topic.
- My home - In this week children will learn about different homes and the features that houses have. They will also learn their personal address.
- My faith - Here children will learn about their faith and how it is celebrated around the world.
- My School- children will be looking closely at their new school and thinking about what they have achieved in their first half term of school.

What you can do to help:

Talk to your children about their learning in school.
Ask questions about this week's topic.
Complete children's homework with your child.
Ask children about what letter sound they have been learning that day.
Can children find objects from around the house that begin with that letter sound?
Ensure your child can recognise and write their name.
Ask your child to count to ten and show you that many objects.

Got a question to ask???

You are welcome to ask the teachers questions about your child and about the progress they are making in school. However the teachers can only see you when all the children have been dismissed from school. If you would like to talk to your child's teacher please make an appointment or kindly wait until all children have been dismissed.
We will holding 'drop in' sessions throughout the year. This will be an opportunity for parents to talk to their child's teacher. More information will be sent out at a later date.
