5th February 2019

Dear Parents and Carers,

Assalamu Alakium, (May peace be upon you).

I am pleased to tell you that we are working with the NSPCC, the UK's leading children's charity. They visited our school today and delivered their **Speak out Stay safe** assembly to share information with your child about how they can keep themselves safe from harm and get help if they have any worries. It was a very worthwhile and empowering session for both pupils and teachers. They spoke to the children and staff about the valuable work they do across the country, and talked about how important it is for everyone in our school community to join them in their 'fight for every childhood'. But, as a charity, they can only provide these vital resources thanks to the financial support and generosity of their supporters.

That's why we're raising money to help the NSPCC's work in schools

I am delighted to say that our school has chosen to support the valuable work of the NSPCC this term by taking part in a fundraising event, and I would really value your support and encouragement.

How your children can have fun – and make a massive difference

Children will be doing a **sponsored skip on Thursday 14 February 2019**, which will not only be exciting for our pupils but will also mean they're raising money for the NSPCC's vital work *and* helping keep even more children safe.

Participation is purely voluntary but if you would like to support the NSPCC's work, it would be fantastic if you could give your child permission to take part by signing the sponsor form and then returning the form and money raised to school by **Thursday 28 February 2019**. If you have more than one child in school simply put all your children's names at the top of one form.

Every child will receive a coloured badge for taking part in the fundraising event which we want them to wear with pride. You and your children can be proud of the fact that every penny raised makes a significant difference for children.

If you'd like to know more about the NSPCC's work, or take a look at the wide range of information and advice which is available for parents and carers, please visit their website nspcc.org.uk/preventing-abuse/keeping-children-safe/

Yours faithfully
